

## News Release

### **TriMetals Mining Inc. Presents at Precious Metals Summit Beaver Creek**

**September 18, 2018, Vancouver, British Columbia—TriMetals Mining Inc. (TSX: TMI, OTCQX: TMIAF)**, (the “Company”), is participating at the Precious Metals Summit Beaver Creek in Colorado, September 20-22, 2018.

TMI’s President and Chief Executive Officer Eric Edwards is scheduled to present at 9:45 a.m. MT on Saturday, September 22, 2018 to provide an update on TMI and its near-surface oxide Gold Springs Project in the Western U.S. Mr. Edwards will also be meeting with investors during the conference.

The presentation will be webcast live and archived for playback on the [Investors/Presentations](#) page of the Company’s website. A PDF of the presentation will be available on the Company’s website.

#### **About TriMetals Mining Inc.**

TriMetals Mining Inc. is a growth focused mineral exploration company creating value through the exploration and development of the near-surface, oxide, heap-leachable Gold Springs gold project in mining friendly Utah and Nevada USA, and the Escalones copper-gold skarn/porphyry deposit in Chile. The Company combines a track record of discovery and advancement of large projects, mining and exploration supportive jurisdictions, low political risk areas, key operational and process expertise, and a focus on community relations and sustainable development. Management has extensive experience in the global exploration and mining industry.

The Company’s common shares and Class B shares are listed on the Toronto Stock Exchange under the symbols “TMI” and “TMI.B” and the common shares and Class B<sup>(1)</sup> shares also trade on the OTCQX market under the symbol “TMIAF” and “TMIBF”. Additional information related to TriMetals Mining Inc. is available at [www.TriMetalsmining.com](http://www.TriMetalsmining.com) and on SEDAR at [www.sedar.com](http://www.sedar.com).
